# Why choose FAR and what do you get?

High quality tutor who will assist and mentor you every step of your learning journey with us.

Tutor replies to your queries within 24 working hours, at the latest.

Access to online live lectures within your virtual classroom and face to face teaching offered.

Access to our Virtual learning environment (VLE) where you will be able to access additional study materials.

Flexibility with your payments as well as the delivery of your lessons – for example, you will be able to access recordings later. We will aim to work around your work/home commitments.

Pass guarantee – if you don't pass your exam, we will give you the same course free at our next offering.

Please contact us if you have any queries!
